Hi everyone,

Sorry I couldn't attend today's meeting as I went to watch Blaze play basketball in Wainwright and haven't made a game all year.

The board approved the 2023-2024 Calendar after a survey to staff and parents was conducted throughout the division.

We also hosted 4 stakeholder engagements in regards to our next 4-year plan for 2023-2027. If you missed these engagements and would like more information in regarding our 4-year plan please contact me anytime.

Enrolment in the division is down 119 students from last year.

We have been able to have a teacher student ratio of 16:1 and are one of the lowest in the province.

I am a member of the yearly audit committee and wanted to share some bullet points from our last meeting

- BTPS received \$53,921,921 from the Government of Alberta for the 2021-2022 school year.
- Our revenue was \$55.7 million and our expenses were \$55.7, million as well.
- BTPS paid salaries of \$38 million to 436 employees including 203 teachers and 98 substitute teachers
- BTPS paid \$5.8 million to over 40 bus contractors who employ roughly 103 drivers within the division. There was a significant cost to bussing with fuel, maintenance and insurance increases.
- The complete audited financial statement can be found online

Our next board meeting will take place on Feb 14, 2023 at 5:00 pm and everyone is more than welcome to attend.
