Freezing marks for non diploma and non PAT courses only

Student Criteria

MJS Final Exam Grade Freezing

- Your options are to select **two** exams either:
 - One in term 1 and one in term 2
 - Or
 - Two in term 1 **OR** two in term 2
- In order to freeze your grade you must be passing the course.
- When you write the final and it increases your overall mark - your freeze does not count against you.
- In order for your classroom mark to be your final grade, your final exam mark must not be **less than 15%** of your classroom grade.
- On exam day you will write your classroom mark on your final exam before you start.
- You must monitor through the powerschool **portal only** your marks as they are entered, to assist in making your decision on freezing.
- Once your final exam mark is entered, it is up to **you to contact the teacher directly, not the school** to initiate your freeze mark option and ask the teacher to remove the final exam mark (if it is within the 15% deviation of classroom grade).
- **the sooner the better but no later than noon on Monday, June 23rd**
- Please choose carefully which **exam/s** you would like to freeze each term

1. **SCHOOL COUNCIL**

Thank you to all the parents and guardians who attended School Council meetings this year. We have a good core of parents who take an interest in what is happening in BTPS and our school. Please consider getting involved next school year!

Next meeting - Fall of 2025

2. SCHOOL DOORS

Just a reminder that the doors are not opened till 8:40 each morning. If your child is late coming to school they will need to come in the front doors of the school. All outside doors are locked when the bus supervisors come in from outside to secure our building. The front office door on the east side of the school remains unlocked.

3. HANDICAPPED PARKING

We do have students who require these parking spots daily so we please ask if you do not have the proper permit to park in the handicapped spot to please park elsewhere. Thank you!

4. REPORT CARDS

Marwayne Jubilee is paperless with reporting. Student marks are available all the time through the parent portal and at any point throughout the school year (including traditional reporting dates) parents/guardians can print off paper copies from a desktop computer. The powerschool app for your phone is very easy to use and a

convenient way to check marks and comments. **If you are not currently signed onto Parent Portal please contact Marina Stafford at the school or your students homeroom teacher. 780-847-3930**
